## <u>APICS Fun</u>

## Message for the Board

Greetings,

Fall is my favorite season! At this time of the year we are blessed by all of the colors, sights and smells of Fall. Take a few moments each day to enjoy the bright red, bright orange and bright yellow leaves on the trees. Look up into the sky and watch as the birds gather for their migrations to warmer climates. Enjoy the smells as crops are harvested and orchards pick their bounties of apples and cherries. If you are like me there is nothing better than the smell of a freshly baked apple pie!

As we enter the transition from October to November I'm reminded of the upcoming Thanksgiving Holiday. Take a moment to reflect on all of the blessings in your life. We are all unique and we have all been blessed in very different ways. We all share a similar blessing, our local APICS Shoreline Chapter. Each time I attend a district meeting I'm reminded of how blessed we are as a professional organization. Our chapter may be very small and seemingly insignificant as compared to other larger chapters but we have been very blessed. Our membership roster is firm and stable, our PDMs are well organized and attended, our CPIM Classes are making positive impacts, and we have numerous volunteers that are truly dedicated to serving our local APICS Shoreline Chapter.

This is also a good time of the year to start thinking about goals for the upcoming year. Is this next year the time to complete my CPIM Certification? Is this next year the time to complete my CSCP Certification? Is this the year that I become more active in supporting my local APICS Shoreline Chapter? These types of personal questions and potential goals are limitless. It is the support of our membership and volunteers that lead to the success of our chapter. Maybe this is your opportunity to pay it forward by volunteering your time and talents. At a minimum I'd like to challenge each of you to use your sphere of influence in the coming year to strengthen our chapter for the future. This can be done simply by mentioning our chapter to co-workers, business contacts or personal contacts, and at a much deeper level volunteering your time and talents.

# Thank you all, past and current members, past and current volunteers, for your contributions to our success!

Wishing you and your families a Happy Thanksgiving!

Stephen J. Rasmussen, CPIM VP – Membership VP – Student Chapter
