ASCM Fun Fact

Message from the Board of Directors

Greetings to All Members and Friends of Shoreline Forum,

Supply chain chaos is happening around the world! Supply chain managers are battling the pandemic, labor issues, and increased demand. There are major backlogs at ports across the world and major retailers are now implementing delivery during off peak hours to address this supply chain issue. It now takes roughly 73 days for ocean freight to make the China-to-U.S. trip. As many kids could tell you, there are now 72 days until Christmas. Yes, Virginia, there is a Santa Claus, but his sleigh might be a bit light this year.

In order to survive and thrive in this new normal, leaders must be willing to change and adapt. This is the reason why ASCM Shoreline WI Forum hosts supply chain networking events such as our Professional Development Meetings (PDM), covering a variety of topics of interest for anyone involved in supply chain – logistics, operations, and management.

Our Professional Development Meetings offer the chance to both learn more about a specific area within the supply chain field, as well as the opportunity to connect with fellow supply chain professionals. A typical meeting will include:

- A guest speaker who will educate the crowd about an innovative topic related to Supply Chain and Operations Management
- Networking with peers and colleagues
- Participating in our member raffles
- Having fun!

Shoreline Forum PDMs are held once each month, September through November and February through April. PDM content varies from meeting to meeting and year to year, featuring presentations and discussion by supply chain and manufacturing excellence experts. In addition, some of the PDM's feature plant tours at some of the most cutting edge companies within our community!

This calendar year we visited local area businesses and had the privilege of gaining insights from other Supply Chain professionals from diverse industries. Recently presented and future PDM topics include:

- Launch – Kym Leibham, Lakeland University
- Tour of Burger Boat in Manitowoc Wisconsin
- Social Networking event
- Sheboygan Plant Tour TBD
- Peak Foods – Jeff White, Vice President of Operations, Peak Foods LLC

You do not need to be a member of ASCM to attend. Meetings are open to all - bring your boss, your coworkers, anyone interested in the PDM topics and the networking opportunities. The PDM offers a great value at \$25 for members, \$30 for guests, and \$15 for students and retirees. An added bonus, PDM attendance provides 1 CEU Credit towards Certification Maintenance Points for participating.

If you are interested in joining us for a future PDM, please visit <http://www.shorelineapics.org/news-and-events> to register for an event.

We are committed to you, our industries, and community. I encourage you to reach out directly if we can be of any additional service to you.

Thank you for all you do to make a positive impact, especially during these challenging times.

Board of Directors Meeting Schedule

Board Of Director meetings are planned for the first Wednesday of the month except as noted. The location of the meeting will be published in the newsletter. All members are welcome to attend any board meeting. Please let any current board member know if you would like to attend as we normally have a light meal preceding the meeting and it will help us to ensure we have enough for all.
