## ASCM Fun Fact

## Message from the Board of Directors

Dear Fellow Members,

The pandemic continues to cause challenges for Supply Chains across the country. Every company is being touched in some way by these issues. Networking with members from other companies at an ASCM PDM (Professional Development Meeting) is a great way to find out how other companies may be dealing with the same issues you are having!

The PDMs that have been planned for this year are being held in person. There is a great calendar of events planned for this year – just take a look at the calendar below. There are even some company tours that are planned. From my own experience, these are great opportunities to learn more about other companies that are in this same geographical area. The upcoming PDM is on October 13 and includes a tour of Burger Boat. The details for the October PDM are below.

Another exciting opportunity is the fall road cleanup that is planned by the Board of Directors for the ASCM Shoreline Forum. As a Forum it is our responsibility to clean the section of road outside of Cleveland twice a year. For the fall cleanup, this is happening on October 9<sup>th</sup>. We will be meeting at Fischer Creek Conservation Area on County Rd LS,

Cleveland, WI 53015. If you are able to join us please contact [rsheermeister@lakesidefoods.com](mailto:rsheermeister@lakesidefoods.com).

Lastly, we welcome any member who is interested in joining the Board of Directors. We strive to continue to build our forum and offer great opportunities for the members of the Shoreline Forum to learn and network. If you are interested in learning more please reach out to any member of the Board of Directors.

We look forward to seeing you at a future PDM!

Best Regards,
