ASCM Fun Fact

"We can't even agree on a lunch order...seriously?"

Message from the Board of Directors

Greetings to All Members and Friends of ASCM Forum,

Welcome to another great year of educational opportunities with ASCM Shoreline Forum!

First and foremost, I hope you and your families are safe and healthy, both mentally and physically. As we still continue to navigate the future – uncertainties around the Delta variant (*businesses adjusting their return-to-office plans amid renewed uncertainty spurred by the delta variant*) and supply chain disruptions (*transportation, supply, price increases, and labor*) – all of us and the businesses we serve must keep operations on track. I am encouraged by the strength and fortitude of our supply chain professionals, positioned to lead in moments like this and make our supply chains more resilient to future shocks.

Our Board members continue to meet and our membership to-date is strong with dedicated members in pursuit of staying actively involved in supply chain excellence. Through our community, both our members and our board work to enhance Supply Chain Professionals and help shape generations to come.

Please welcome our newest board member – Stephanie Thiel from Johnsonville, who will be serving as our VP of Programs. We are excited to have Stephanie join our board and bring her knowledge and industry experience to the board.

WE ARE LOOKING FOR BOARD MEMBERS!! Do you have an interest or desire to meet people, develop your leadership skills, and earn certification maintenance points? Our board is a team of dedicated volunteer leaders who bring diverse points of view and drive our chapter's strategic direction. We encourage you to consider joining our board. Not sure if this opportunity is right for you? I urge you to join any of our Board of Director meetings held on the first Wednesday of each month at 5:30pm. If you are interested, please email rshermeister@lakesidefoods.com at least two days prior to the scheduled meeting to confirm attendance.

If you are not yet a member, I encourage you to join! ASCM brings new dimension to your career through its many educational programs, including its industry-essential certifications. When you join ASCM, you become a member of an elite organization recognized throughout the world as the authority in supply chain and operations management. Additionally, membership benefits both you and your employer. Not a member of ASCM, no problem! You can still attend one of our Professional Development meetings with industry experts on exciting topics with very practical, real-world applications for just \$30.00. Meetings are open to all - bring your boss, your coworkers, anyone interested in the PDM topics and the networking opportunities.

Thank you so much for your continued membership to our organization and to ASCM. Your participation means the world to us and we need your feedback. I look forward to hearing from you this calendar year! Hope to see you at the PDMs this year!

Wishing you and your families continued health. Be safe and please continue to stay tuned to your Shoreline Forum newsletters going forward. Thank you for Your Continued Support!

Rhonda Shermeister, CPIM
ASCM Shoreline Forum President
