ASCM Fun!

Message from the Board of Directors

ASCM Update

Greetings to All Members and Friends of ASCM Forum,

Welcome to another great year of educational opportunities with ASCM Shoreline Forum!

The world is at the cusp of a new global order, and what that might look in a few years is anyone's guess. However, as supply chain professionals, we must remember that the history and past disruptions may have much guidance to the future. One of the key areas will be to again focus on fundamentals, rebuild lost relationships due to the pandemic, reengage employees and customers, and do not rely only on technology to find all solutions.

As the aforementioned challenges abound and as committed supply chain professionals, we are working to bring some sense of normalcy in our activities and engagements within the community. Through our community, both our members and our board work to enhance Supply Chain Professionals and help shape generations to come.

Just a reminder, in February of this year, ASCM rolled out their new, streamlined membership model. The goal is to suit member needs at every stage of a person's career. The new dues start at \$99 annually or \$10 monthly, with the ability to add certification

discounts (+100) and Shoreline Forum membership at \$60. Your continued participation in the growth of our organization is vital, so when you are renewing your membership, please be sure to select Shoreline as your partner.

WE ARE LOOKING FOR BOARD MEMBERS!! Do you have an interest or desire to meet people, develop your leadership skills, and earn certification maintenance points? Our board is a team of dedicated volunteer leaders who bring diverse points of view and drive our chapter's strategic direction. We encourage you to consider joining our board. Not sure if this opportunity is right for you? I urge you to join any of our Board of Director meetings held on the first Wednesday of each month at 5:30pm. If you are interested, please email rshermeister@lakesidefoods.com at least two days prior to the scheduled meeting to confirm attendance.

If you are not yet a member, I encourage you to join! ASCM brings new dimension to your career through its many educational programs, including its industry-essential certifications. When you join ASCM, you become a member of an elite organization recognized throughout the world as the authority in supply chain and operations management. Additionally, membership benefits both you and your employer. Not a member of ASCM, no problem! You can still attend one of our Professional Development meetings with industry experts on exciting topics with very practical, real-world applications for just \$30.00. Meetings are open to all - bring your boss, your coworkers, anyone interested in the PDM topics and the networking opportunities.

Thank you so much for your continued membership to our organization and to ASCM. Your participation means the world to us and we need your feedback. I look forward to hearing from you this calendar year! Hope to see you at the PDM's this year!

Wishing you and your families continued health. Be safe and please continue to stay tuned to your Shoreline Forum newsletters going forward. Thank you for Your Continued Support!

Rhonda Shermeister, CPIM
ASCM Shoreline Forum President
