APICS Fun Fact

Message from the Board of Directors

Greetings to All Members and Friends of APICS Shoreline,

First and foremost, I hope you and your families are safe and healthy, both mentally and physically. What we are experiencing at this time is unprecedented. The COVID-19 pandemic has redefined what it is like to lead a “normal” life. As the pandemic has had a profound effect on our day-to-day life, it also has had a significant impact on the Shoreline Chapter.

The Board of Directors is monitoring any government action and will continue to keep our members updated through our newsletters or on our website. What I do know is that this will eventually be behind us. When it is, we will renew our commitment to Supply Chain Excellence and continue to serve our membership and each of you to the best of our abilities. I am encouraged by the strength and fortitude of supply chain professionals, positioned to lead in moments like this.

Additionally, our Board members continue to meet and our membership to-date is strong with dedicated members in pursuit of staying actively involved in supply chain excellence. For this Fall and understanding many are still not comfortable with meeting in-person, APICS CPIM review courses have been postponed to 2021 (see *our website* <https://hes32-ctp.trendmicro.com:443/wis/clicktime/v1/query?url=http%3a%2f%2fwww.shorelineapics.org&umid=ff5f3dd7-c228->

Please welcome our two newest board members – Tyler Stoeger from Vollrath, who will be serving as our VP of Marketing and Joe Duesterbeck from Rockline, who will be serving as our VP of Certification. We are excited to have both gentlemen join our board and bring their wealth of industry experience to the board.

WE ARE LOOKING FOR BOARD MEMBERS!! Do you have an interest or desire to meet people, develop your leadership skills, and earn certification maintenance points? Our board is a team of dedicated volunteer leaders who bring diverse points of view and drive our chapter's strategic direction. We encourage you to consider joining our board. Not sure if this opportunity is right for you? I urge you to join any of our Board of Director meetings held on the first Wednesday of each month at 5:30pm. If you are interested, please email rshermeister@lakesidefoods.com at least two days prior to the scheduled meeting to confirm attendance.

If you are not yet a member, I encourage you to join! APICS brings new dimension to your career through its many educational programs, including its industry-essential certifications. When you join APICS, you become a member of an elite organization recognized throughout the world as the authority in supply chain and operations management. Additionally, membership benefits both you and your employer. Not a member of APICS, no problem! You can still attend one of our Professional Development meetings with industry experts on exciting topics with very practical, real-world applications for just \$30.00. Meetings are open to all - bring your boss, your coworkers, anyone interested in the PDM topics and the networking opportunities.

Wishing you and your families continued health. Be safe and please continue to stay tuned to your Shoreline Chapter newsletters going forward. Thank you for Your Continued Support!

Rhonda Shermeister, CPIM
Shoreline Chapter President
