APICS Fun Facts

Message from the Board of Directors

Greetings Supply Chain Professionals,

If your supply chain runs through China, I am sure that your organization is well aware we are just coming out of Chinese New Year. How did your business fare? What type of strategies does your team favor? Most businesses typically pull in orders starting in the Fall, but is that really the best solution?

Do you enjoy this type of supply chain discussion/debate? If so, the Shoreline APICS chapter has hosted roundtable discussion events in previous years. While Spring 2018 Professional Development Meeting schedule is already in place, the 2018/2019 PDM schedule is just around the corner. If you have a request for a PDM topic, tour, roundtable, please send it our way. The Shoreline APICS chapter is always looking for better ways to engage our members.

Have you visited our website recently? Check it out now – [APICS Shoreline Chapter!](#) Please take a few minutes to read about and RSVP for some of our upcoming tours, find resources on how to become APICS certified, check out plenty of pictures from our past events, and recently recognized members! The next PDM is a tour of Curt G. Joa, Inc, and the meeting is at the Back 40 Pub & Grill, with Tony Smith, Purchasing Manager. We hope to see you there!

Just a reminder, in addition to our community on the web, we are also easily found on Facebook! Either search for Shoreline APICS, or go to facebook.com/pages/APICS-Shoreline-Chapter. **LIKE US** or better yet, print out a copy of this newsletter and leave it in a common area or post it to your local community bulletin board and spread the word!

Thank you for the support and feedback!

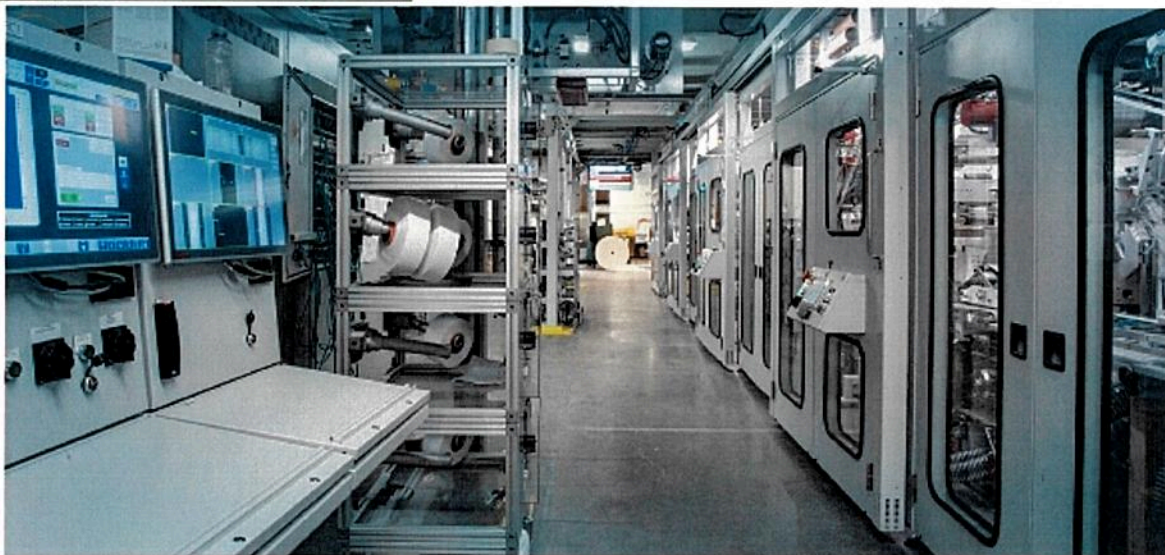

Mitchell Calvert, CPIM
